Press Release

PHONE PROBLEMS due to lightning strike

Maryville, MO - Are you having trouble making phone calls into the Nodaway County Administration Building and Nodaway Courthouse?

It appears that our phone system for the Administration and Courthouse were struck by lightning on August 12, 2019 causing phone outage issues. It is unclear at this time how long this issue will be affecting our phone system.

However, you can call into the Nodaway County Clerk office 660-582-2251 and they will be glad to take a message to the office in which you need to contact.

We apologize for any inconvenience this causes.
