Tax Installment Program

Sign up now to pay your Nodaway County Real Estate and/or Personal Property taxes on a monthly installment basis. Contact Marilyn Jenkins at the collector's office at (660) 582-4302 for more information.

Your payments will be based on the amount you paid for the previous year real estate/personal property taxes. There will be ten equal installments (Jan. – Oct.), with the eleventh (Nov.) and final installment being the balance of the tax due. No taxes are due in December. (However, if for some reason your taxes are not paid in full by December 31st, it will result in late penalties and fees being charged which will be the responsibility of the taxpayer, and the payment plan may be terminated.)

We will only accept automated payment from your bank account. Please contact our office for further information regarding payment. If you are planning to sign up for automated payment, please fill out and sign the Automated Payment Service authorization and agreement form to enroll in the installment payment plan. Please read the Installment Program fact sheet for additional information regarding the automated payment process.

Real Estate and Personal Property taxes are eligible for installment payments at this time. Payment plans will be set up for each individual parcel of land owned and individual account for personal property. Delinquent real estate/personal property taxes are not eligible for the payment plan. For example, your current taxes must be paid before enrolling in a payment plan for your future taxes.

If you currently escrow your real estate taxes with a mortgage company or related servicing company, you will not be able to set up a payment plan for that particular parcel of land at this time. Remember, payment plans will be set up for each individual parcel or account regardless of the number of properties that you own.
