Quarterly Office Holders

The Commission hosted the quarterly meeting for office holders with the following in attendance: Burns, Walker, Walk, Randy Strong, Lisa Nickerson, Marilyn Jenkins, Dee O'Riley, Elaine Wilson, Rex Wallace and Patton. Office holders gave updates to activities and issues within their respective offices. The next quarterly meeting will be July 1st, 2021. Also in attendance: Tammy Carter, H. R. Director, Kay Wilson, Nodaway News Leader and Paul Janicek, DocuLock, LLC.

--Strong gave updates on personnel changes in the Sheriff's office due to Major Randy Houston's retirement at the first of the year. Strong stated they had assisted with a riot on New Year's Day at the Maryville Treatment Center and gave updates on the progress with the jail fire. Sheriff Strong has been appointed as the Zone One Leader to represent Northwest Missouri. The Sheriff's department is working on Family Crisis Training in response to the rise in mental health issues. Strong signed an MOU to work with the U.S. Marshals on the Fugitive Task Force. This will be a benefit to our community with safety, training and funding.

--According to Jenkins, Collector/Treasurer, the stimulus checks seemed to have brought people in the door to pay delinquent taxes. Jenkins said her office is busy cleaning up and scanning in the information for the auditor for the CARES Act funds.

--Wilson discussed the training her office is doing to learn the Show Me Court and Show Me Jury processes. Wilson also talked about how they handled the inmates and court processes in cooperation with the Nodaway County Sheriff's departments and other counties inmates were housed in during the time the jail was down due to the fire.

--O'Riley currently has 74 wards she is working with. She discussed the new equipment and software she has implemented that has helped things run smoother. O'Riley plans to attend her annual training in April.

--Nickerson explained a change in policy the Recorder's office free views. Currently, a person or business has 30 free views of county recorded documents. Starting today, anything above 30 will cost to view.

--According to Wallace, approximately 1,200 assessment sheets still need to be turned in. Property values have increased and notices will be generated and sent in May. Wallace gave updates on panic buttons, County Government Day and Nodaway County Fair dates.

--Patton gave information on the upcoming April election and discussed the dates for the upcoming county audit.

--Commission discussed work being done to Noble Road (CART Road #457) in Jackson Township. The road has washed out a number of times, so due to landowner donations, a portion of the road will be relocated. A Township Meeting will be held on April 22, 2021 at the county road barn for all township officials and operators. The gravel for CART roads will be higher this year than in the past years. Updates on FEMA denials from the 2019 flooding event and bridge construction costs were also discussed. The county expects to see steel and culvert costs raising anywhere from 38-55%. Vendors are not giving quotes that extend out past 30 days and some companies are on allocations.

Tammy Carter, H.R. Director, discussed free courses county employees have through the insurance company MOPERM. These classes will help keep the county in compliance.

Paul Janicek, CEO/Co-Owner of DocuLock, LLC spent a few minutes discussing shredding option for the county. Janicek also discussed planning for digitizing aging county documents.
